6th May 2002

Dear Freddie

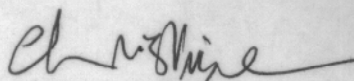

CNY2002 celebration was a great success, contributed by the good work of all parties involved. At the Debrief with the Council and the Police, Supt Jon Morgan was very complementary and advised that The Chinese New Year celebration is now listed as one of the major events in London.

The fireworks went very well and everybody enjoyed it without one single complaint this time. I did not realise that you had not been paid until the invoice reached me on 4th May. Enclosed herewith the cheque for the full payment.

We look forward to working together at the next event.

Best wishes.

Yours sincerely
