For the attention of Freddy Lehall

Dear Freddy

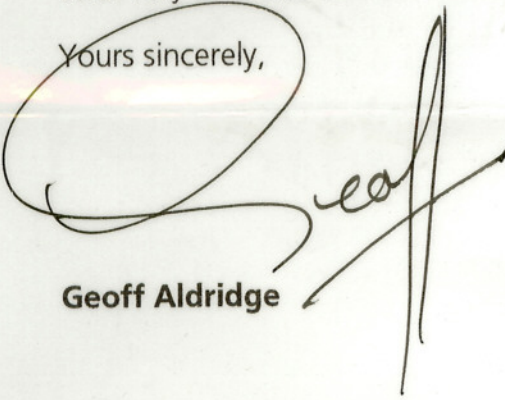

I am not sure where to start because a **BIG** thank you just doesn't seem anywhere near sufficient to express my absolute delight with the spectacular display you produced for CbD's 25th Anniversary last Saturday.

All our guests were equally impressed by the fantastic display and effects achieved, and coming from an audience of media and presentation professionals is praise indeed.

You certainly did us proud and I sincerely hope that we have the opportunity of working with you in the not too distant future.

With very best wishes from Patricia Sinclair and I.

Yours sincerely,

Geoff Aldridge
