Dear Freddie,

Please find enclosed a cheque for the balance due on Invoice 733.

May we take this opportunity to thank you for an excellent display.

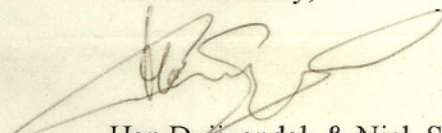

Your excellent selection of fireworks, choice of colour and the pacing of the display made it undoubtedly one of the high points of the day.

Many of the guests commented with amazement on the standard of the fireworks; on a more practical level, the hotel management expressed their satisfaction with how clean and tidy the display site was left behind.

In short: Ten out of Ten - we'll be back for more!

Very best wishes,

Yours sincerely,
