Re: Lawrence Griffiths 60<sup>th</sup> B'Day, Fireworks Display

Dear Freddie,

I wanted to take a moment to thank you for all your efforts and hard work in making my 60<sup>th</sup> Birthday so outstanding. Your team help make it come off with a real bang!

I was so impressed by the fireworks display, as were my guests. Roger Daltrey, of the WHO, and I have attended more than our share of parties over the years. But he made a point of calling me the next day just to let me know how wonderful the fireworks were. The phone has not stopped ringing; people will be talking about this party and the spectacular show your staff put on for years.

Your attention to detail was second to none. My guests were truly surprised at the spectacular display that had them oohing and ahing. The show continued on and on with a surprise at every moment. I also want to thank you for your concern for my guests' safety through the entire event. The immediate cleanup of all the fireworks debris was flawless.

I truly appreciate your professionalism and would recommend your services to anyone in the future looking to have an event that is truly memorable.

Most sincerely,

Lawrence Griffiths
